

It is important that you read carefully these guidelines in order to ensure that your presentation meets the required standards and effectively communicates your work.

POSTER PRESENTATION GUIDELINES

The date and time of poster presentations will be according to the Conference Scientific Programme which will be available at the conference website in due time.

Printed posters will be displayed in dedicated areas of the conference venue.

PRINTING

You should bring to the conference a printed version in the conventional style (size A0 = 84.1 x 118.9 cm, orientation portrait), including graphs, photos, diagrams and a small amount of text.

You can also bring with you as many copies as you like of a printed A4 version of your poster for distribution.

PRESENTATION

A dedicated Poster Session is foreseen in the Conference Programme. Conference participants will walk around the poster area and you will be able to present your work.
